

Help Me Help My Child!

- Are you worried about your child's speech and/or motor skills?
- Are you concerned that your child is developmentally delayed?

This event is to help caregivers of children 0-5 years of age (infants, toddlers, and elementary age) learn how to get the state services they need for therapies and/or educational supports.

Join us virtually to learn more!

Thursday, November 12th, 2020 from 6:00 p.m. to 8:00 p.m.
