Dyslexia & Dysgraphia: Insights for Parents

Presenting:

Anne-Marie Slinger-Constant, MD, FAAP.

Thursday, February 11th

6:00 - 7:30 PM

Register: <https://bit.ly/2SQuBC4>

The focus of this presentation will be to discuss the core characteristics of dyslexia and dysgraphia and the reading brain.

Also, identify key elements of effective instruction for students with dyslexia and discuss ways in which parents can support the development of their child's reading and writing skills.
