

# Dyslexia & Dysgraphia: Insights for Parents

## Date & Time

Thursday, December 9th  
6:00 pm to 7:30 pm

## Virtual Registration Link:

<https://bit.ly/2SQuBC4>

This workshop is appropriate for caregivers of any child who is showing struggles with reading and writing.

Event focuses on:

- explaining the myths and misperceptions that surround the terms dyslexia and dysgraphia.
- discussing the core characteristics of dyslexia and dysgraphia and the reading brain.
- identifying key elements of effective instruction for students with dyslexia.
- discussing ways that parents can support the development of their child's reading and writing. Parent resources will be provided.

## Presenter:

**Dr. Ann-Marie Slinger-Constant, MD**  
UF Health Pediatrics
